Elegant
SMART BAND

Thank you for purchasing the **Sami Wearable** WS-2349. Read the instructions carefully to obtain optimum results and preserve it for future reference. Sami has developed wearable devices since 2015 and we use the best components possible for the product.

DESCRIPTION OF THE WEARABLE

FULL TOUCH SCREEN

POWER ON/OFF RETURN BUTTON

RETURN BUTTON

CHARGING POINTS

HEALTH SENSOR

CONTENTS

Wearable, USB magnetic charging cable, strap tool, instruction manual.

CHARGING

Connect the device to a computer or laptop with the USB magnetic charging cable for charging. Insert the charging thimbles of the charger into the charging points positioned in the back of your device. Kindly use only the USB cable included with the wearable. If you use a power adapter for charging, the output of the power adapter should be 5V, 1A. Charging time: 2 hours. Please charge the device fully before using it.

NOTE: Do not have the charger connected to AC and the magnets touching any metallic surface, this will create a high heating of the cable and will damage it.

HOW TO POWER ON / POWER OFF?

1) To turn ON the smart band, long press the Power On/Off button for few seconds to make it Power On.
2) To turn OFF the smart band, long press the Power On/Off button to make it Power Off; or on the touchscreen, tap and slide from bottom to top until the system icon displays, tap it to enter, scroll down and tap in the Power Off icon, select Yes to make it Power Off.

HOW TO CONTROL?

1) On the display screen(touchscreen), short tap the touchscreen to select; tap and slide left/right/up/down to change between the different menu pages.
2) Short press the Power On/Off button to return. Long press the Power On/Off Button to make it Power On/Off.
3) Short press the return button to go back.

GETTING STARTED:

- For Android

1) How to obtain the BT Connection APK (**WEARFIT 2.0**)
Search for the **WEARFIT 2.0 APP** in the Google Play Store; download it and install it in your Android smartphone, or go to our **website www.sami.es** and download the application.
2) Installation of the **WEARFIT 2.0** APK.
When installing the **WEARFIT 2.0** application on your Android, you must allow all the Application Permissions, allow this **WEARFIT 2.0** app auto run.
The first time you run this **WEARFIT 2.0**, it will ask you to Enable Notifications, please tap OK and tap the **WEARFIT 2.0** and confirm OK. You must tap OK/Allow/Pair/Yes/Confirm for any pop-up request. On your Android permission management, allow all application permissions.
3) How to make the wearable pair with your Android smart phone?
*First, turn on the Bluetooth of your Phone.
*Second, run the **WEARFIT 2.0** app on your Phone, on the home page of **WEARFIT 2.0**, select **"Third party log in"** → and select the social network that appears to log in with this one in the app. Or you can use an email address to register and to log on.

Once you open the app select the **"me"** icon which is on the right bottom of the interface→ tap **Connection Management** →tap again **Connect band**, and then the APP will search for Bluetooth device(s), when the available Bluetooth device displays, please tap **B3P** or **WS-2349** (the BT name of this device) to make it pair. The pairing will be finished in few seconds. When you finish select OK/Confirm/Allow for any pop-up request.
* Now you can start using your desired functions of the smart band.

Important: To enable all notifications of different software's such as WhatsAPP, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the home page of **WEARFIT 2.0**, select the **"me"** icon situated on the right bottom of the screen, → and select ''**Device management**'', → '' **Smart reminder**'', → ''**app notification**'' and turn on all the APP notifications you want to active.

- For iPhone

1) How to obtain the BT Connection APP? (**WEARFIT 2.0**)
On iPhone, please go to APP Store and search **WEARFIT 2.0** and install the app.
2) How to make the wearable pair with your iPhone?
*First, turn on the Bluetooth of iPhone
* Run the **WEARFIT 2.0** app on the iPhone, on the home page of **WEARFIT 2.0,** select **"Third party log in"** → and select the social network that appears to log in with this one in the app. Or you can use an email address to register and to log on. Once you open the app tap the **"MINE"** icon which is on the right bottom of the interface → tap **Connection Management** →tap again **"Bind Bracelet"**, and then the APP will search for Bluetooth device(s), when the available Bluetooth device displays, please tap **B3P** or **WS-2349** (the BT name of this device)

to make it pair. The pairing will be finished in few seconds. When you finish select OK/Confirm/Allow for any pop-up request.

* Now you can start using your desired functions of the smart band.

Important: To enable all notifications of different software's such as WhatsAPP, Facebook, Skype, Twitter, you may need to turn on the notifications on the APP manually. On the home page of **WEARFIT 2.0**, select the **"MINE"** icon situated on the right bottom of the screen, → and select ''**Device management**'', → '' **Intelligent reminder**'', → ''**app notification**'' and turn on all the APP notifications you want to active.

ATENTION: In IOS and in Android your wearable should be connected through the app and not with the Bluetooth menu of your phone. If you have paired it on the Bluetooth menu, unpair it and forget the device to start the correct binding through the app.
